PERSONAL PROJECTS

Downtime Tracker App (11/2021 - Present)

- We have Implemented and Designed this App using PowerApps Connected with Power Automate Flow.

Credit Calculator App (07/2021 - 08/2021)

- We have created a Logic App Resources to fetch the bill for last 7 days, 1 month , 1 year etc. and then send a mail to the individual.

Alert Notifier App (01/2022 - 02/2022)

- We have created a Logic App Which will send you a alert mail and Notification on Mobile too when the certain criteria matched along with all the details in CSV Format.
